

Sunfire Glass
8225 NW 80th Street
Medley, FL 33166
USA

This letter announces that **Sunfire Glass** is recognized as a laminator of Kuraray brand interlayers as required by the Miami-Dade County Department of Regulatory & Economic Resources. Through this letter, Kuraray America, Inc. (hereinafter "Kuraray") is identifying the addressee as a recognized laminator to supply laminated glass into the hurricane markets when containing the following interlayer products covered under these Notices of Acceptance (NOA).

- **SentryGlas® (Clear and White) Interlayers** – No. **23-0717.30**; Exp. Date: July 2028
- **SentryGlas® Xtra™ (SGX™) Clear Glass Interlayer** – No. **23-0717.26**; Exp. Date: May 2029
- **Trosifol® Ultraclear, Clear, and Color PVB Interlayers** – No. **24-0205.08**; Exp. Date July 2029

This authorization will be reviewed periodically. Please consult your Kuraray Account Manager for details.

The approval numbers refer strictly to use of the product in the manufacture of the laminated glass consisting of two (2) or more lites of glass and the appropriate thickness of interlayers produced by Kuraray to meet the desired performance criteria. Any laminated glass containing interlayer that is supplied for use into Miami Dade County must be permanently marked in accordance with the respective NOA.

Through this letter, we are authorizing **Sunfire Glass** the use of our component product numbers as listed above, and the NOA marks for laminated glass with the Trosifol® and SentryGlas® interlayers. This authorization is given on the understanding that this product control number and approved mark can only be used for laminated glass products manufactured with the Kuraray brand interlayers listed above.

Authorization is granted solely for laminates manufactured at the **Medley** location. Alternate manufacturing locations must submit product for their own evaluation; certifications are not transferrable between manufacturing plants or fabrication plants other than the point of original manufacture. This letter merely confirms the authorization listed above, and Kuraray makes no warranties regarding the laminator's product or services.

Should you have any questions regarding this product number, mark or the use thereof for your customers, contact me via email at Vaughn.Schauss@kuraray.com.

Sincerely,

Vaughn Schauss
Manager, Technical Consultancy, Americas
